## It's all happening this Summer....

### Who Inspires Our Young?

The Pupils of Hulland C of E Primary School marked World Book Day by dressing up as famous people they found inspirational.

See if you can spot the celebrity—including this young man.

*More information on page 13 inside!*

### Annual Village Horticultural and Craft Show

Hulland Ward & District Annual Village Horticultural and Craft Show is scheduled to take place on Saturday, 24th August at the Millennium Village Hall.

Katrina Pipes has led the team organising the Show but she has decided to have a break this year.

If you would be interested in taking an active part in organising this year's Show, please contact Katrina for further information on 370871 or [katrina.pipes@btinternet.com](mailto:katrina.pipes@btinternet.com)

The full schedule will be available at the end of May and will have the usual classes of baking, preserves, flowers, vegetables & handicrafts. So that our photographers can get clicking, their Classes this year are:-

1. Patterns in nature;
2. Buildings or structures
3. Working life;
4. Water, water everywhere!
5. What a smell!

### 2024 Elections

Thursday, 2nd May is Elections' Day. No local Council Elections for us but the two functions up for Election are:

Police & Crime Commissioner  
Regional Mayor

The first-ever Election for a Mayor for the East Midlands (Derbyshire, Derby, Nottinghamshire and Nottingham) has opened the door to a massive investment in transport, skills, housing and the environment after securing a deal for a new combined authority – the East Midlands Combined County Authority (EMCCA).

### New: Strong & Steady Classes

Had an accident, operation or just feeling unsteady? Need to regain strength and confidence when walking and standing? If you are over 65 there is a new programme which may help. *More details on page 2 inside.*

## Message from the Interim Chairman

Springtime came to the Hall with snowdrops lining the eastern hedgerow and an army of daffodils guarding the old Institute sign on the southern hillside.

It is always a welcoming sight each Spring when the Main Road through Hulland Ward and Dog Lane burst into life with an abundance of daffodils.

An annual legacy of the hard work by the original bulb planters.

Thanks to the green-fingered talents of the Women's Institute, the flower beds are a colourful delight when approaching the Hall's entrance.

*Daffodils surround the old Institute sign  
Before marching up the hill...*

Following the high winds and seemingly endless rainy days, the thankfully few maintenance issues have been dealt with.

As surely as night becomes day so the season of Summer will be upon us as evidenced by nature's changes. We look forward to welcoming birthday parties for the young and not so young, weddings, anniversaries, social events, cycle races, and all the regular activities this Summer.

In particular, the Annual Horticultural Show will be held once again during the August Bank Holiday weekend - an excellent opportunity for the produce growers and crafters among you to show what you did this Summer.

*Bill Whitbread, Interim Chairman*

*A colourful display of Tulips  
thanks to members of the local W.I.  
(shame we cannot print in colour!)*

## Maintenance Up-Date

The Millennium Village Hall is now 24 years' old and, as any householder knows, maintenance is an ongoing and challenging task.

Advisory Committee Members throughout the last two plus decades have met these challenges sometimes with pre-knowledge of how to fix the problem and other times experiencing a deep learning curve!

We are fortunate to have a number of experts to call upon when needed. They all live locally which is great as they are familiar with the Hall having hired it themselves or attended a function.

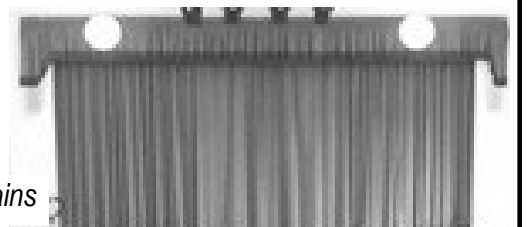

This is a key factor in joining the team that manages the Hall — being local, caring for the Hall, wanting to keep it going, and in good condition so it continues to be used for at least another 24 years.

One challenge this year has been the stage curtain. The cord which operated the curtains has been 'broken' a few times in the past and incurred costs to repair.

Raymond and Barry took up the task of investigating the latest 'break'. They discovered a vital piece was missing. This enabled the cord to work. A search uncovered the missing piece which resembles a paper clip. When the cord was installed some years' ago it seems the 'rail' was not really strong enough for the curtains.

We are close to resolving this whole issue and must thank Raymond and Barry for the time given to sorting this out.

One other improvement has been the introduction of 'Daylight Bulbs' into the Kitchen, W.C.s and the Committee Room.

## Reader's Reflection: You're only as old as you feel ...

Having completed a two year course of study, I was privileged to be licensed by the Bishop of Derby as a Licensed Lay Minister (Reader) at a Service in Derby Cathedral on 20th April. A Reader in the Church of England is a Lay Person who can lead and preach at some Church Services and undertake pastoral work.

Having felt the call from God to this kind of ministry, I started the course when I was 71 and I was the oldest student in my cohort. This has led me to reflect on the role of older people in our Society and community, and I strongly believe that their (our) contribution can be both positive and fulfilling.

Winston Churchill was 65 when he became Prime Minister in May 1940, and the likely two main candidates in this November's US Presidential election - Joe Biden and Donald Trump - will be 81

and 78 respectively.

From the Bible, we're told that Abraham - the father of a great nation and the three great religions of Judaism, Christianity and Islam - was 75 when he received his call from God. And Zechariah and Elizabeth were 'well on in years' when they became the parents of John the Baptist.

Older people have a great deal to contribute - life experience, time, various accumulated skills - in volunteering roles in all sorts of areas. So, to those who have stopped counting birthdays, I say this: "it's never too late and you won't know what you can achieve unless you try".

As the old saying goes: "You're only as old as you feel" ... even though, some days, our response to that may be "Oh dear!".

*Steve Dunning, Licensed Lay Minister (Reader)*

## Messy Church: Update

*Messy Church* is a place of celebration and creativity for families, where conversation and laughter fill the air, and food, fun and faith are shared.

Our next ones are Saturdays 11th May and 13th July, from 3.30 to 5.30pm at the Millennium Village Hall.

New families welcome.

## Martyn Davis

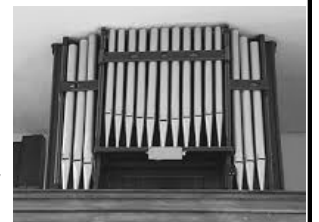

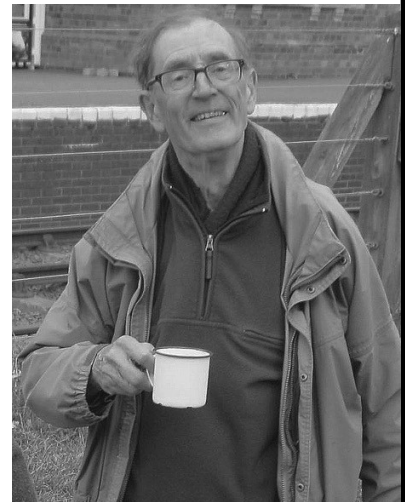

It was with great sadness that we heard one of our organists, Martyn Davis, had died towards the end of 2023. He had been Organist with us for the best part of 50 years.

Growing up in Luton, Martyn moved to Derbyshire. His career as a Junior School Teacher included teaching music.

Martyn showed great kindness to many people over the years which was reflected in the number of people at his funeral and the wonderful tributes paid to him.

### Christ Church's Organ

A pipe organ contains one or more sets of pipes, a wind system, and one or more keyboards. The pipes produce sound when pressurized air produced by the wind system passes through them. An action connects the keyboards to the pipes. Stops allow the organist to control which ranks of pipes sound at a given time.

## Café Church

We are launching a new informal style of Worship, called *Café Church*, which will be held in the Millennium Village Hall, with refreshments before the Service starts.

The first two dates are Sundays 2nd June and 7th July at 10.30am.

Look out for further details on Facebook and our Website.

website: [www.hullandchurches.org.uk](http://www.hullandchurches.org.uk)

### **A Round-Up of the Last Three Months**

Weekly Lent Lunches at Atlow Village Hall were a great success again this year with each Parish taking responsibility for one lunch. Donations went to Christian Aid and a total of £1,068 was raised.

On Good Friday, prayer stations were set up in Hognaston Church for our Hour at the Cross and these proved to be very moving ways of reflecting on our Lord's crucifixion.

Our Annual Parochial Church Meeting was held on 26th March to elect Church Officers and consider Annual Reports. Officers re-elected were:-

Churchwardens: Shirley Gage and Katrina Pipes; Secretary: Margaret Champion; Treasurer: Paul Gage.

We also agreed to make charitable donations for 2024 to: Derbyshire Rural Chaplaincy, Tear Fund and Ashbourne Food Bank.

### **Churchyard Champions**

Thank you to the volunteers from the community helping to keep our Churchyard maintained for visitors, and sustainable for nature. They have made a real difference to this 'green space' in our Parish. Churchyard work mornings are planned for Saturdays 11th May and 1st June. Contact Penny 370592 or email [penny.northall@hotmail.co.uk](mailto:penny.northall@hotmail.co.uk) if you would like to come along.

### **Hulland Hikers**

*Hulland Hikers* is a newly-formed group enjoying occasional Saturday morning walks. The walks, at 4-5 miles long, explore the beautiful countryside within a 10 miles' radius of Hulland. Each walk has a meeting point with parking.

Our next walk will be on Saturday 1st June.

Contact Penny on 370592 or email [penny.northall@hotmail.co.uk](mailto:penny.northall@hotmail.co.uk) if you are interested in coming.

# Hulland Ward Parish Council News

## Village Hall Car Park Extension

Due to delays in S106 funding for Planning Application 20/00765/FUL, a new Application has had to be submitted. With construction costs in the intervening 3 years doubling, and usage patterns slightly changing since Covid, a review has taken place by the Parish Council.

Following new quotations, it is hoped a modified project can still commence late Autumn 2024.

*Parish Council*

## MVAS and Average Speed Cameras

Vehicle speed data along the Main Road, collected by the 2 MVA cameras (Mobile Activated Vehicle Signs) for January and February 2024 was as follows:

276.624 vehicles have been clocked  
30% of vehicles were exceeding 30mph  
21,004 (7.6%) exceeded 35mph

The Parish Council is aware that the fitting of an Average Speed Camera system through our Village would eliminate the problem of speeding 'overnight' and we are pursuing a request for an ASC system through County and the Derbyshire Constabulary.

We say, again, that it is wrong to allow 135,991 drivers to disregard the Law through our Village every year when there is an effective remedy available.

*Cllr Karl Dean*

## Daffodils ... Rising!!

What a fantastic display of daffodils this year.

As many Villagers know, the last planting by residents was some 11 years ago and there have been suggestions to plant some more this October.

Making a fantastic display even more fantastic seems like a really good idea !

*Parish Council*

## Grass Cutting in the Village

Following a process of outside tendering among 4 suppliers the Parish Council have appointed a contractor for the next 3 years.

As a result, we are pleased to announce that Darren Cartwright will continue to ensure that the grass around our Village remains well cut, including the Playing Field, Main Road pavements and Slangs.

You may not know this, but the Parish Council is also responsible for cutting the triangles of grass at Intakes Lane, Smith Hall Lane and 2 at Hillcliff Lane (Wirksworth Road).

Hulland Ward is not what you would call a small Parish!

*Cllr Arthur Champion*

## The Local Plan and Hulland Ward (including Biggin)

For the benefit of new Villagers (and indeed a reminder to all Residents) here is the current status of development:-

The Derbyshire Dales Local Plan, published in 2017, called for 99 new houses in the Hulland Ward area to be built by 2040 (subsequently changed to be built by 2035).

To date, including Cameron Homes, Les Ardennes and Wheeldon Way (39 homes still to be built) plus a few smaller developments, we will have had 101 houses against the 99 proposed.

Therefore, we have completed our 'quota' and should not be asked to take any more – which is

why your Parish Council vigorously rejected the proposal for a further 15 houses on Land off Biggin View. Although also rejected by District Planning Committee, the proposal was allowed at Appeal and may well go ahead because of this – even though the Application is unsafe as well as in excess to the Local Plan.

Unfortunately, the Local Plan does not seem to be as straightforward as we were led to believe, so we will have to continue 'fighting our corner' as best we can !

*Cllr Peter Birkbeck*

website: [www.hullandwardpc.co.uk](http://www.hullandwardpc.co.uk)

## **Wheeldon Way Development**

The Parish Council are aware of the problems of flooding, potholes, noise and vehicular traffic. Representatives from the PC have made 2 formal visits to the site, as well as writing to the Case Officer with complaints.

Our District/County Councillor Dermot Murphy has also intervened on our behalf – and has managed to facilitate some ‘pothole filling’ as well as other matters.

The Site Foreman is established on-site and will speak to Residents who have particular problems. His office is located on the left side of the site as you enter from Wheeldon Way. Allowing for reasonable weather they hope to have the Showhouses up and running within 3 months.

*Parish Council*

## **Housing Developments**

**23/00435/FUL Land off Biggin View, Biggin Parish**  
This application, for a further 15 houses, following rejection by both Parish Council and District Council, has been **allowed under appeal** which means this development can legally progress. The Parish Council understands groundwork could commence late Spring/early Summer - with all construction traffic using the temporary access adjacent to the Dog Lane/Main Road junction.

**19/00159/REM Land off Wheeldon Way, Biggin Parish** was approved by Derbyshire Dales Planning Committee on 10th September 2020. Groundwork is now well advanced for the 39 mixed properties with brickwork for the Showhouses underway.

For the final layout please refer to the website: [www.guildhomes.co.uk](http://www.guildhomes.co.uk) Progress will continue to be monitored by the local Residents Committee and the Parish Council until the new site is completed.

**21/00644/FUL Land at Eaton Farmhouse, Hulland Ward.** This small development of 3 mixed properties is almost complete with just the entrance road to be finished and the verge along the Main Road to be repaired. All work should be completed by end May 2024.

*Cllr Peter Birkbeck*

Derbyshire Dales District Council Planning Portal  
and also on the Hulland Ward Parish Council Website.

Enjoying our afternoons of 'Outdoor Learning'

Thank you to the PTFA whose fundraising has purchased these beautiful Willow Structures (*shown below*) to support our commitment to outdoor learning.

*Year 6 (seen here) are making the most of the opportunity!*

website: [www.hullandprimaryschool.co.uk](http://www.hullandprimaryschool.co.uk)

Thank you to Reverend Phil for welcoming us to Christ Church for our Easter Service. We were joined by many friends and families of the School.

All the children participated with the children in Key Stage 2 representing the Easter Story with their Easter Gardens (opposite).

**World Book Day**  
**2024**

This year we asked the children to dress up as inspirational people based on a set of books: *Little People, Big Dreams*.

We had David Attenborough, Amelia Earhart, Earnest Shackleton, Coco Chanel, Steve Irwin, Ru Paul, Marie Curie, Jane Austen, Anne Frank, Taylor Swift, Dolly Parton, and Queen Elizabeth II, to name just a few.

From these photographs see if you can guess who the children are representing (don't forget the one on the front page).

## Litter Pick 2024

Biggin Parish's Litter Pick took place on Sunday, 17th March 2024 and was well-supported. The Parish's lanes are well used by walkers, cyclists and motorists. Litter poses a danger to wild animals and birds plus it spoils the natural beauty bestowed by Mother Nature.

If you see or hear anything which raises concern either contact myself or the relevant authority (eg. Derbyshire Dales District Council, Severn Trent, Openreach, etc.). The more people these authorities hear from the more likely something will happen!

It is impossible to not think of the Parish without thinking of daffodils that have brightened up the area for the whole of Spring. I was told recently that these were all planted by local volunteers, and I have to say that their hard work has made Hulland Ward synonymous with beautiful daffodils in my mind. Community action such as this can be incredibly impactful and I am sure that everyone who has driven through the Village, lives here or just visiting, has admired the wonderful number of daffodils on display.

Community is clearly at the heart of the area and at the end of March I was so pleased to join local volunteers and Councillors for a litter pick in Hulland Village. I know that Hulland Ward have held recent clean-ups too but I was sadly unable to attend. It is such a shame that litter picks have to take place in the first place but I am so grateful to the dedicated residents who go above and beyond to keep our area looking as good as it should and to protect our local environment. This Spring I was so pleased that children from Hulland School entered my poster competition encouraging dog owners to keep their dogs on a lead around livestock. Livestock worrying can have such a terrible impact on our farmers and animals, and is totally preventable if only people exercised common sense and leashed their dogs. Well done to every child that entered. Local farmers have been offered the posters to display on their land.

I know that times are difficult for a lot of people at the moment, and I want to reassure you all that I am here, listening, working hard, and helping where I can. I'm not able always to fix all our local problems but I will listen always and do my best to help so please do not hesitate to contact me at ...

Thank you. Sarah.

## Hulland Ward Gardening Club

Our meeting in May is a "Hands On" event when members will have the opportunity to practise their gardening skills to create a Summer display in a bowl or basket.

It will also be the meeting for our Annual "plant swap". In June and August we are out and about visiting gardens of note in Derbyshire, and then a little further afield in July when a visit to Wollerton Old Hall is planned.

### Where do we meet?

This Group of enthusiastic, albeit novice, gardeners meets on the third Thursday of the month at 7.30pm in Hognaston Village Hall. Coffee/tea is served from 7.00pm onwards.

From September the Club will meet regularly on the fourth Thursday evening of each month in Hognaston Village Hall. Visitors and new members are always welcome.

A charge of £5.00 is made at each visit to pay for the speaker, light refreshment and hire of venue.

New members will always be made welcome.

## Hulland Parish News

On Saturday, 13th March my wife Judith and daughter Jane put on refreshments for our Annual Hulland Village Social followed by a Litter Pick. The event is being described as "Hugely Successful" because:- our Local MP Sarah Dines came along to meet everyone, answered questions and was involved in the Litter Pick. She was allocated to one of the Six Litter Picking Teams covering approximately six miles of Grass Verges. WOW! This was the first time Hulland Village has received a visit from the standing MP. I have been involved with all 3 previous MPs representing this area (currently Derbyshire Dales but previously named West Derbyshire) covering approximately 60 years, and not one of them came anywhere near to being so pro-active as Sarah, where she is trying her best to solve all problems that are presented to her.

Not surprisingly she was questioned about the appalling problem of Potholes. She answered by saying that Derbyshire County Council had now increased their resources in this area so that they are now repairing 2000 potholes a week. In addition, they are now sealing the edges of the repair so that water can't seep down between the solid road and the repair to destroy the joint in no time causing the repair to break down once again! The recently launched JCB Permanent Pothole Repair Machine was also mentioned which saves Councils both time and money. Sarah promised to put pressure on Derbyshire County

Council to buy a Machine in the new financial year to assess its huge benefits.

We also invited Dermot Murphy to join us. As our Elected Councillor for both Derbyshire County Council and Derbyshire Dales District Council, he has already achieved two major successes for the Village. Dermot accepted our invitation and agreed to do his best to solve three other major problems we have in the area. First, two of our excellent Litter Picking Teams were allocated major sections of Smith Hall Lane. They both had the unenviable task of picking up a large number of water bottles out of the hedge bottoms full of "Human Urine" -- Dermot has offered to go and see the Managing Director of Aggregates to see what he or she is prepared to do about stopping the practice of Male Lorry Drivers using this method rather than going to the toilet at the Aggregate Works.

Secondly, Dermot has agreed to come into the Village to take a photo of each Pothole and submit them to Derbyshire County Council so that they are repaired asap. Thirdly Dermot would like a list of all the blocked drains in the Village so that he can make contact with the person responsible for keeping drains clear at Derbyshire County Council. Also, it has been noted in past years that if we start with a Social we have more volunteers joining the event. This year was particularly special because a number of residents met each other for the first time which can only help to add to the friendly atmosphere that already exists in the Village. Finally, and most importantly, we had a record number of people at the event - 23 - (See photo following this email along with a photo of a record number of bags of litter - 30 - etc collected. Amazing!

In conclusion it is particularly motivational and inspirational to be part of the Hulland Ward and District Group where the three villages, Hulland Ward, Biggin and Hulland Village, get together to be part of our contribution towards the Great British Spring Clean. This year there was a total of 52 people involved and 60 bags of litter collected. -- Absolutely amazing !!

Many, many thanks to everyone for being part of a very successful event

*Tim Sadler*

INSPIRING WOMEN

1915 FOR 108 YEARS 2023

## Hulland & District Women's Institute

We have had a good start to the year. January was a Members' social evening where ideas about future trips and speakers were discussed. We finished the evening with a cheese and paté supper which always goes down well.

In February, Jill gave a talk on her Nursing career from her training in the late 1970's until her retirement in 2019. An informative and humorous talk on her various experiences and how things have changed throughout her career in Nursing.

March was our AGM and we welcomed a new Committee Member, and Kath Horsley is to remain as President this year.

We MEET in the Hulland Ward & District Millennium Village Hall on the 2nd WEDNESDAY of the month, except August.

We are a very FRIENDLY group who like to have fun. WHY NOT come along to a meeting especially now the evenings are lighter. You will not be left on your own.

### Future Meetings :

8th May:- The Swinging Sixties with Janet Barass

12th June:- Just Ice / Modern Day Slavery and the Uses of Human Trafficking by Sally Murray.

10th July:- Kurling Social Evening. Competitive, fun not to be missed!

August:- No meeting. Summer break.

### For more information contact:-

President: Kath Horsley 01335 370740

Vice President: Jill Heaton 01335 371878

### WI Fun Fact

**"For Home and Country" badge.**  
The first British WI meeting was held on 16 September, 1915. The "For Home & Country" badge dates from the 1920s and a few designs were made.

## Hulland Community Pre-School

Est. 1972

It was an exciting Term leading up to Easter where we covered many themes.

The children enjoyed creating many craft activities which promoted our theme which was about bears, their habitats, behaviour and their communities.

Easter was magical for the children. They created craft items, made biscuits and Easter bonnets.

We welcomed a valued member to our team, who brings experience, depth of knowledge and thoughtful understanding working with children.

As you may be aware, Pre-School is managed by a Committee, and we seek an enthusiastic member to join this Committee. This member does not have to have a child at Pre-School but would have qualities to ensure that our Pre-School is balanced and credible.

Best wishes  
The Pre-School Team

The Pre-School operates Monday to Friday  
8.30am- 3.00pm term time only.

## Hognaston & Hulland Branch

We are a happy group of local Christian ladies who meet in **Hulland Ward & District Millennium Village Hall on the 4<sup>th</sup> Wednesday of the month at 7.30pm.**

We also run the weekly toddler group *Hulland Hippos* and support local, national and international Mothers' Union charities.

In February, Peter Gardner gave a beautifully illustrated talk about The National Gardens' Scheme. In March we had a relaxed time decorating Easter crosses donated by our member Audrey. In April we heard about the difficulties of being a Christian in Pakistan.

### Future meetings:-

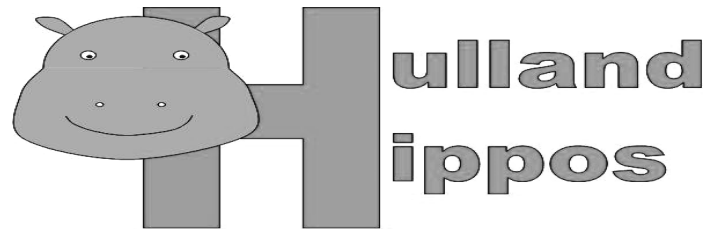

May 22nd - We are hosting the Carsington Deanery Festival Service, 7pm at Hulland Church with light refreshments in the hall afterwards.

June 26th - Talk by the Rev. Alan Griggs about Derbyshire Agricultural Chaplaincy.

This year's July trip will be to the Secret Diner at Sudbury Open Prison.

Visitors to meetings or new members are welcome.

For more information contact  
 Secretary Penny Northall 370592,

**Hulland Hippos Baby & Toddler Group** meets every Wednesday, including School holidays, from 10.00 – 11.30am at the Hulland Ward & District Millennium Village Hall.

The cost is £3 per family per session which includes drinks and a snack.

### Highlights of the last 3 months.

We have had over 20 families at each session and a mixture of small babies and children up to 4 years old.

We enjoyed having extra children to our half-term Shrovetide pancakes and Easter holiday sessions.

Other special sessions were celebrating Mums & Carers (see below), and a toddler-friendly Easter Service in Church followed by an Easter Egg Hunt.

A new initiative has been welcoming Rebecca from Breast Feeding Support on the 3rd Wednesday of the month and this service will continue.
