Films at the MVH

Almost two and a half years' ago in February 2020, a 16 years' run of showing the latest films in the Millennium Village Hall had to be put on hold due to Covid-19.

At last, this May to July we screened three films—two of which had been released some months' earlier—to take up where we had to leave off. It is fair to say that attendance was disappointing but understandable. Those who attended did observe it was a shame as they'd enjoyed the films.

We will continue to screen this Autumn, starting in September, but appeal to you to support us as you have in the past. Otherwise, the brutal reality is that we cannot afford the considerable financial losses incurred.

Covid-19 infections are still happening and some have to be very careful of their health and others they are caring for. To others, we say that the Millennium Village Hall continues to adhere to Covid-19 rules with sanitisers, sprays available.

If anyone wants to know more, to be reassured they are welcome to call me.

What did we show?

Phantom of the Open: The true story of amateur golfer Maurice Flitcroft who played in the British Open Golf Championship, much to the ire of the staid golfing community.

Operation Mincemeat: The true story set in 1943 as the Allies face an impossible challenge - to protect a massive invasion force from entrenched German firepower and avert a potential massacre.

Downton Abbey: A New Era: The Crawley family journey to the South of France to uncover the mystery of the Dowager Countess's newly-inherited villa. Meanwhile, Lady Mary and others experience theatrics when the film world comes to Downton.

At the time of going to press, future films have not been confirmed by 'Hollywood'. As soon as they are watch out for posters at the General Stores and Millennium Village Hall.

Millennium Village Hall : An Appeal For Help

Times are changing, following my article in the previous edition of the Herald, and the distribution of posters asking for help with running the Hall, we had no responses. I assumed there would have been some response!

This led me to wonder if, in these changing times, there was a need any longer for a Village Hall.

I then looked at the regular activities which take place in the Hall and confirmed there is a definite need.

The week commencing Monday, July 11th there were nine bookings ranging from a children's party to the monthly WI meetings, to the weekly Hippos Mothers and Toddlers Group, and Indoor Bowls. There are, also, other monthly events such as the Film Night. All of these activities support our community.

If there is this need and only a few volunteers how can the Hall run? The Hall environment must be safe, clean and welcoming. If these criteria cannot

be achieved the Hall will close.

The existing small Committee has looked at the issues and feel that we can carry on for now, but we do realistically need more help. One resource is the regular user groups. We already get help from one of them and we shall ask others if needed. We may refuse some large bookings like weddings, which stretch our resources, and there are some advantages in having a small Committee.

The Committee desperately needs a Secretary - a key member of any organisation. I have been told that some volunteers are put off volunteering as sometimes Committee members are asked to open and close the Hall. This doesn't happen very often. Also, we are now paying persons who close the Hall from 11 pm. If you can help us and support your Village Hall my number is 01335 370884.

Rector's Ramblings: Time for a change?

Below you will see that Reverend Lisa Taylor has joined the team here in the Hulland United Benefice. Her job title is 'Curate' which means that she is a trainee vicar. She has just been ordained at Derby Cathedral and begins the next stage of her life/faith journey with us. It is a big change from RAF to CofE.

Lisa's journey got me thinking about changes in career and taking on new challenges at different stages in life. For some it might be prompted by a spiritual experience and they sense that God is calling them to something specific. For others, they might realise that they would be much happier doing something other than what they are currently doing.

Some just want to give something back – that can particularly apply to those who are retired. There are so many people around with such varied life experiences, skills and talents which many charities and organisations would be glad to put to good use.

Lisa is beginning a new journey and it is probably one she never expected to be on. What about you? New career... new volunteering opportunity... new challenge?

Has something caught your attention? Follow that calling, and may you be blessed, and may you be a blessing.

Rev Phil Michell

Our New Curate

We welcome our new curate - Reverend Lisa Taylor - to our benefice. She was ordained Deacon on Sunday, 3rd July at Derby Cathedral. Lisa is originally from Birmingham and has also lived in Aylesbury where she worked as a Teaching Assistant at the Prison, helping the young men who had learning difficulties with their education.

Prior to that, Lisa spent 28 years serving in the Royal Air Force as a telecommunications operator. We look forward to her ministry among us.

We would welcome anyone who would like to join us on our rota. You don't need to have any artistic skills or qualifications at flower arranging.

Hulland Ward Parish Council News

Medical Centre - Open meeting 4th July 2022

An Open Meeting was called by Hulland Ward Parish Council on Monday 4th July 2022 at 7.00pm. in the Millennium Village Hall to discuss present and future operational plans for the Hulland Ward and Brailsford Medical Centres

Those present included the Parish Council Chair and Parish Councillors, Cllr Dermot Murphy (DCC), Dr Penny Blackwell and Dr Sarah-Jane Lowe (representing Brailsford & Hulland Ward Medical Centres) and well over 100 local residents.

The meeting was generally considered to be constructive with many points made and discussed, some of which are listed below :

a) The Hulland Medical Centre could not re-open until (1) the Brailsford Centre was working properly and (2) £46,000 was found to carry out CQC requirements to update the Hulland Ward premises.

b) The Medical Centres now have 3 doctors led by Dr Sarah-Jane Lowe (with a 4th Doctor being sought), a professional Practice Manager and an improving Medical Team that is generally fulfilling daily requirements.

c) The telephone system, for contractual reasons, cannot be changed in the near future, and can indicate 'line waiting' when not visible to the Receptionists.

d) Dispensers have been recruited - but there is still a prescription waiting list. However, the 'Team' felt the position would improve over the summer.

A new digital prescription system is to be introduced in October. which should further improve operating performance. Collecting prescriptions from Hulland Ward Medical Centre is subject to review and will be considered when Brailsford Medical Centre is operating as planned.

Generally, there was a consensus that the new team led by Doctors Blackwell and Lowe were aware of the problems and the Practice may be on the cusp of a general improvement. Both Doctors agreed to return to Hulland Ward for a follow-up Open Meeting on Monday, 3rd October, 2022 at the Millennium Village Hall.

Hulland Ward Village Flowers

Once again Hulland Ward Parish Council have contracted Plantscape to supply and water the Flower Towers and Lamp Post planters that so brighten up the Main Road this summer.

Queen's Jubilee Mugs for Primary Schoolchildren

To further commemorate the Jubilee, Hulland Ward Parish Council purchased Jubilee Mugs for every pupil in Hulland CofE Primary School. So, on Friday, 1st July Peter Birkbeck (Chair of Governors) and Sarah Dines, MP, were delighted to present all the children with their Jubilee Mugs and Special Certificates to commemorate the HM The Queen's Platinum Jubilee, during the School's 'Golden Worship'. This was followed by a short tour of the School and playing fields.

We hope the children keep the Mugs and Certificates for many years to come, and thank Head Teacher, Mrs Underwood for making this visit to Hulland CofE Primary School such an enjoyable occasion.

Speed Cameras: Hand Held & MVAS

Teams have continued to be out during Spring/Summer with now over 140 drivers 'booked' for speeding. With 10 trained volunteers, and a second camera on order, it is hoped to achieve a steady team presence during Summer this year, to further encourage drivers to reduce speeds through the Village. If you are interested in being part of a team please contact the Parish Clerk - or speak to any member of the Parish Council.

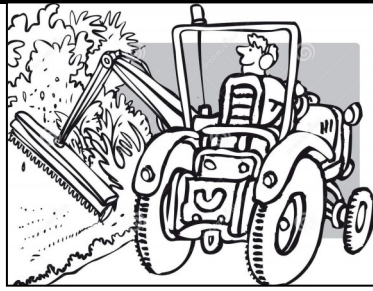

MVAS (Mobile Activated Vehicle Signs) results for the last 6 months show over **30%** of drivers are breaking the law by driving **over 30mph** through the village - and will be the foundation for a case for permanent speed cameras for our Village.

Hedge-Cutting Co-operative

The first cut of the 'Hulland Ward Hedge-Cutting Co-operative' has already taken place, with up to 2 more cuts scheduled to take place before the Autumn of this year.

The Co-operative now stretches from upper Dog Lane to the Butterfly Conservation area of the Slangs.

Cllr Clive New

Road Noise - Lorry and Truck Movements

Meetings continue to be held with Aggregate and Longcliffe to try and reduce anti-social truck movements along the Main Road.

Both companies have agreed to keep truck movements to and from Aggregate (about 25 trucks a day) to no earlier than 7.30am in the mornings, to no later than 10.00pm in the evenings.

Future meetings are being arranged with outcomes made public throughout this year.

Housing Developments in and next to Hulland Ward

The completed Cameron Homes development (33 houses) and Blue Line Homes development (23 houses) - together with the **proposed** Wheeldon Way development (39 homes, now due to commence late Summer/early Autumn 19/00159/REM), plus permitted 'fill-ins', will add up to 103 new houses, which is the number of new properties called for in the Derbyshire Dales Local Plan for the Hulland Ward area, scheduled to last until 2035.

Cllr Peter Birkbeck

All the above developments are shown on the Derbyshire Dales District Council Planning Portal - and also on the Hulland Ward **Parish Council Website** www.hullandwardpc.co.uk which also shows commentary for each application from your Parish Council.

Hulland School Report

End of Year Report—Farewells Made

It's that time of year when we say Good-Bye and Good Luck to our Year 6; Scarlett, Joel, Max, Liam, George, John, Will, Imogen, Florence and Heidi (photo below). They have been an exceptional group of young people and we wish them well at QEGS.

They have contended with two periods of Lock Down and, despite this, have all done brilliantly in their recent SAT assessments.

80% of pupils achieved the expected standard for Year 6 in Maths, writing and grammar and an amazing 90% achieved the expected standard in reading. We are all very proud of them.

We also say "thank you" and "good-bye" to Mrs Teece and Mr Perkins who will be 'retiring' as Teaching assistants after 19 years at Hulland CE Primary School – we wish them well.

Thank you, also, to Mr Stapley who will be stepping down from his roll of Governor – your hard work on behalf of our School has been very much appreciated.

If you are new to the area or looking for a School place we still have a few places available in some of our Year groups. Please contact Mrs Weir (01335 370243) in the School Office to arrange a tour of the School. 'Every day is an Open Day.'

Alternatively, come and join us for our 'Free' Open day on Sunday, 25 September between 2.00pm and 4.00pm. This will enable you to tour the School, meet members of Staff and find out first-hand about our small village Primary School. There will be plenty of activities to keep the children entertained, too. Have a super Summer.

Hulland Village's Platinum Jubilee Celebration

On Friday, 3rd June a Village party was held to celebrate the Queen's Platinum Jubilee.

Complimentary bubbly got the evening started, paid for by funds raised at the Village Christmas Party.

Around seventy people attended and at 7.30pm a toast was made to Her Majesty.

The evening was a great success with the celebrations going on late into the night.

The happy faces on the photo give an idea of how much everyone enjoyed it!

Hulland & District Women's Institute

The WI has had a few busy months. In May several members replanted the planters at the Millennium Village Hall in the colours of red, white and blue ready for the Queen's Platinum Jubilee celebrations. Thank you to all who helped. They look good and we have had some positive feedback.

We also took part in the Pudding and Prosecco, held in the Millennium Village Hall as part of the Jubilee celebrations. Members donated some wonderful puddings which were enjoyed by all who attended.

Several visits have taken place including a boat trip on the Cromford Canal, an afternoon trip to Cascades Garden at Bonsall, and a trip to visit Meynell Langley Gardens originally scheduled for July 2020.

Members had a very entertaining meeting in June taking part in a spoon workshop. Many of us didn't realise how musical we could be. Thanks to Jo May who was excellent. We could certainly recommend the workshop to other groups.

Future Events September to November to include:

- 14 September : Air Ambulance Talk
- 12 October : Lord Lieutenant of Derbyshire
- 9 November : Making a Christmas Wreath Workshop

No meeting in August .

It is now the time to say goodbye to our class of 2022 as they move forward on their journey into full-time education. These children have been with us for about two years and what a pleasure it has been to see them develop.

We now look forward to a new and exciting challenge with our little ones as they, too, grow and learn.

Thank you to all those who have helped the Pre-School over the last year: the parents, volunteers and the staff at Hulland Primary School.

In these challenging times the Pre-School has worked hard to encompass numerous life-time events: e.g. the Ukraine event and the Queen's Platinum Jubilee to name but a few.

Seeing the children creating crowns, flags, pictures and drawings of the Jubilee in their own way followed by afternoon tea was a great success.

Our goal is to continue to improve and evolve with our experienced Staff to meet the needs of our community.

The Mothers' Union is a Christian organisation that has been supporting families worldwide for over 140 years. Founded by Mary Sumner in 1876 in Old Alresford, Winchester, we have grown into an international charity with over four million members in eighty-four countries.

Baby & Toddler Group

Hulland Hippos is a busy Baby & Toddler Group that takes place every Wednesday including School holidays from 10:00 – 11:30 am at Hulland Ward & District Millennium Village Hall.

Drinks and healthy snacks are available during the morning. We enjoy providing outdoor play in the Summer months and we finish with songs and a story. The cost is £3 per family, per session.

A previous Mum said, "I loved Hippos, always so welcoming, friendly and loving and a help when I was struggling with my first child."

It is run by volunteers from Hognaston & Hulland Mothers' Union and our community – Penny, Katrina, Hil, Shirley, Pauline, Doreen, Margaret & Norma.

KEEP BRITAIN TIDY: DOG FOULING

A local Farmer has asked that owners remove any mess made by their dogs when walking through fields. Not only is it deeply unpleasant - it is dangerous.

Whilst rare, contact with dog excrement can cause toxocarasis – a nasty infection that can lead to dizziness, nausea, asthma and even blindness or seizures.

Faeces from infected dogs can contaminate pasture and potentially cattle feed, water or bedding.

While most dog owners are caring, responsible individuals, there are still some people who do not clean up after their pets.

Remember: It is illegal to not pick up your dog's mess from any public place or footpath.
