Fantastic News for the Village...

1. Fate of the Playing Field

As the Hulland Herald goes to print, Hulland Ward Parish Council has received news that Derbyshire Dales District Council is on the point of transferring ownership of the Playing Field, located off Ashes Avenue, to the Parish Council.

Providing this completes, it is fantastic news for our Village as it means the Playing Field will forever be a green field in the centre of our community for ourselves, our children and our grand-children.

Confirmation of this exciting event will be published just as soon as it is received by the Parish Council!

2. A "Good" School

Ofsted have rated Hulland church of England Primary School "Good" which reflects the School's provision for all its pupils' educational needs and ability to prepare them well for the next stage in their lives. Also, brilliant Sats results mean the School's year draws to a successful end.

Films at the MVH

At Hulland Films we like to bring enjoyable movies for your entertainment. The last Season saw a run of thought-provoking yet enjoyable films but prompted a desire for lighter, laughter-rousing productions.

However, The Miracle Club starring Maggie Smith and Kathy Bates is released in October so look out for notices stating when it will be screened.

One film we will be showing, which has a current release date of 2024, is Paddington 3 which features the Brown family, Mr Gruber and other familiar faces.

Hulland Films

Members of the Art & Craft Club have a go at different handiworks. One new skill they have learnt is how to make their own books - in short, how to bind pages together to make a book, known as Book Binding. It wasn't as difficult as first thought and raised a number of ideas as to how this could be used - favourite recipes, genealogy, drawings, paintings and more!

Now, here is an opportunity to have a go yourself, so why not try?

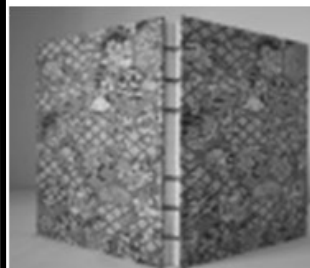

Coptic Journalling

Diocese of Derby present an afternoon of Coptic Journal-making. Local Resident, Mrs Audrey Gray will lead a session of prayerful Coptic journal making, which uses the oldest form of book binding, in a meditative process.

All materials are provided and each participant will make their own journal to take away.

This event is limited to 12 people, at a cost of £6 per person. Monday, 30th October, 1.30-4.00 pm at the Millennium Village Hall.

Please email Rev.LisaTaylor@outlook.com if you would like to book a place.

Message from the 'New' Interim Chairman

On behalf of the Advisory Committee, I would like to thank Paul Gage for his time as Chairman. Although he has stepped down from the Committee, Paul has offered his help wherever and whenever needed. Much appreciated.

Paul's time as Chairman coincided with the unprecedented Covid-19 outbreak when the Millennium Village Hall, along with others, had to effectively close down. When allowed to re-open, it was Paul who navigated the exacting rules of what to do and what not to do. His medical knowledge

was essential, too, in the running of the Hall under the rules and care for the safety of all Users.

Since the Hall fully re-opened, we have been delighted to have regular events and others flocking back meaning the Hall is, once again, active. Sadly, a couple of regular events have been unable to return, as yet.

There are windows of opportunity in the week at the Hall which, if you – as a Local Resident (ie. resident of Biggin, Hulland and Hulland Ward) – have an idea of an activity you would like to run on a regular basis why not bring it to the Committee via the Bookings Officer?

Bill Whitbread, Interim Chairman

Maintenance Walk-Around

In June, our "Maintenance Man" Barry, Wendy and I walked around the Hall to identify any areas requiring attention. The result was discussed at our July meeting and, already, action has been taken inside and outside the Hall. Tasks already dealt with include painting the bollards and parking bays markers outside.

The Maintenance Walk-Around, as it is known, is carried out annually although anything which pops up during the year is dealt with. Often, we depend upon our Regular Users of the Hall letting us know if something requires attention – a new lightbulb, a plumbing issue, etc.

This is one reason for a Hall Regular User to have a representative on the Advisory Committee as it enables them to raise any issues and become aware of actions taken by the Committee.

On behalf of the Committee, once again, I would like to express our appreciation to the ladies of the Hulland & District Women's Institute who tend to the flower beds which are much admired by visitors, and really enhance the approach to the Hall's entrance.

Website & General Bookings Officer Roles: Update

Following the Open Meeting held in late May, we have new Members but really do need more to ensure the necessary work of maintaining and running the Millennium Village Hall so it remains a valuable resource for local people and others.

Two tasks were advertised in the previous issue of the Herald – Website and General Bookings. Whilst we need someone to take charge of the new Website, Wendy continues to handle all the Hall Bookings until a new person takes on General Bookings.

What would operating the new Website involve? In simple terms, it involves adding new bookings onto the Calendar (as provided by the Bookings Officer), and refreshing any information as and when required. Training will be given on how to use the Website. Attendance at Advisory Committee meetings is required.

General Bookings involve checking the Diary for availability, issuing the Booking Form and other relevant paperwork (usually done via email), hosting viewings if required, and participating in Open/Close duties (shared with other Committee Members), etc.

If you are interested and would like to know more about either the Website, or the General Bookings Officer roles then please call Wendy on 370257 for an initial chat.

Rector's Ramblings: The Best Wedding Venue

Today, I conducted the wedding of a local couple who live in Hulland Ward. Apart from a bit of rain, it was a wonderful occasion with over 100 guests, a harpist, flower arrangements utilising milk churns and teat-cups(!) and a guard of honour formed from raised pitch forks. All key elements of a traditional wedding were there including copious amounts of dried petals for the confetti which were lobbed at the happy couple as they walked down the Church path.

What might be seen as a break from tradition was the mode of transport to the reception. Instead of being chauffeur-driven in a luxurious car, the Bride and Groom clambered up into the cab of a sparkling Case tractor and the Groom drove them to the Bride's family farm for the reception. It was a sight to behold with smiles all round.

Weddings are such happy occasions. Having your wedding at a local Church, surrounded by family and friends, conducted by a Clergy person who has spent time getting to know you can be the most special occasion and a moment that you will remember for years to come.

If you, or someone you know is getting married, why not enquire about getting married at one the Churches in our Benefice? We can't provide tractors – but you will most certainly get a warm welcome, along with plenty of support and encouragement as you plan for your Big Day.

We want your special day to be a blessing that will last a lifetime.

Rev Phil Michell

Eco Church: Update

A water butt has been installed next to the watering cans to harvest rainfall; this will reduce the use of tap water. We took part in the *Churches Count on Nature* by inviting Hulland School Infant pupils to do a Bug and Nature Hunt in the Churchyard. We all had a great time!

We have stopped our collection box for medication blister packs because Derby Super Drug pharmacy no longer receive them for recycling.

Churchyard Maintenance

Hulland Churchyard contains the graves and cremated remains of many people from the local area. Relatives regularly visit the Churchyard to tend graves and place flowers. We are committed to maintaining the Churchyard to as high a standard as possible.

Although we have the Churchyard professionally mown during the summer months, we do need help with general tidying-up.

Therefore, we are creating a new team of volunteers who will meet on the second Saturday of each month from 10am to 12 noon. Forthcoming dates are 12th August, 9th September, and 14th October. Come with your gardening gloves, secateurs or rake and be part of this new team.

Oh, yes, there will be coffee and cake!

Our Curate Has Been Upgraded!

Our Curate - Reverend Lisa Taylor - was ordained Priest on Saturday, 1st July at Derby Cathedral.

This means that Lisa is now authorised to carry out the full range of Clergy duties including presiding at Holy Communion. We praise God for her continued ministry in the five parishes of our United Benefice.

Harvest Thanksgiving

The Harvest Thanksgiving Service will be held on Sunday, 8th October at 10.30am.

Also, on Saturday, 7th October is our Harvest Supper at the Millennium Village Hall, 6.00 for 6.30pm. Tickets are £10 from Shirley or Paul Gage on 01335 370884.

On Thursday, 5th October, Hulland Church of England Primary School will have their Harvest Service in the Church at 10am and all are welcome.

Messy Church: Update

Messy Church is a form of Church that is all-age, Christ-centred and involves creativity, celebration and a meal together.

The next ones are Saturday, 15th October and Saturday, 9th December, in the Millennium Village Hall from 3.30 – 5.30pm. New families welcome. No booking required - just turn up.

Village Horticultural and Craft Show

The Hulland Ward & District Annual Village Horticultural and Craft Show is taking place on Saturday, 26th August 2023 at the Hulland Ward & District Millennium Village Hall.

With less than seven weeks to go, excitement is mounting towards the big day. Hopefully the weather will be kind to our gardens over the next few weeks and there will be an abundance of flowers, plants and vegetables ready for entering into the show.

The Judges have kindly agreed to come again this year and we are delighted to welcome a special guest to present the awards – The High Sheriff of Derbyshire, Theresa Peltier. Remember, you don't have to be an expert to enter in any of the classes, just willing to have a bit of fun and join in.

Look out for the Posters, show schedules and entry forms available in local village shops, Hulland Church, The Black Horse, The Nags Head, and on the website www.hullandchurches.org.uk.

Coronation Mugs: To commemorate King Charles's Coronation special Coronation Mugs were presented to Hulland Ward C of E Primary School, and Hulland Ward Community Pre-School children.

The mugs were well-received and, to our knowledge all got home without breakage: a Royal feat, indeed!

Speed Cameras - Hand Held and MVAS

Teams have continued to be out during April/May and June with now over 300 drivers 'booked' for speeding. With 10 trained volunteers and a second camera, it is hoped to achieve a session a week during Summer this year, to further encourage drivers to reduce speeds through the village. If you are interested in being part of a team please contact the Parish Clerk - or speak to any member of the Parish Council. **MVAS** (Mobile Activated Vehicle Signs) results for June show that of the 168,200 vehicles monitored **12,700 were doing more than 35mph**. As a long-term solution the Parish Council are examining the possibility of an Average Speed Camera system shared amongst local villages. Watch this space!

Defibrillator Training

Another defibrillator training session will take place on 14th September at the Village Hall. New and Refreshers—all welcome. More details on Facebook and the Parish Council website. *Cllr Maureen Atkin*

Notice Boards

The Parish Council Notice Boards adjacent to Firs Avenue and the Post Box has been removed for essential maintenance. It is hoped the work will be completed by the end of July. *Parish Council*

Coronation Competition

In May we ran a competition to raise £200 to buy a Royal Oak Tree to commemorate the Coronation of King Charles III. The Tree is to be planted in the Commemorative Garden this Autumn. Two of the raffle tickets were to be chosen with the Winners receiving a King Charles Commemorative Coin.

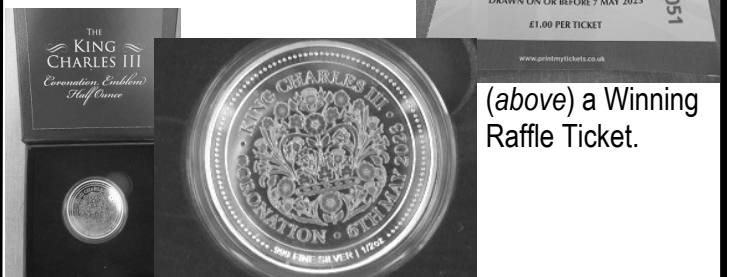

The Draw was officiated by Cllr Maureen Atkin who asked Dave at The General Stores and Jemma at The Farm Shop to pick a raffle ticket each.

The Winners were Sophia Reid and Wendy Whitbread who were both delighted to receive the coins.

Maureen holds the Coins as Wendy and Sophia hold their winning Tickets.

Summer is here - and once again Hulland Ward Parish Council have contracted Plantscape to supply and water the Flower Towers (*below right*) and Lamp Post planters that so brighten up the Main Road.

Hedge-Cutting Co-operative

The first cut of the "Hulland Ward Hedge-Cutting Co-operative" has already taken place, with up to 2 more cuts scheduled to take place before this Autumn. The Co-operative now stretches from upper Dog Lane, Hulland to the Butterfly Conservation area of the Slangs, Hulland Ward.

Housing Developments

The completed Cameron Homes (33 houses) and Blue Line Homes (23 houses) developments - together with the Wheeldon Way development of 39 houses, which is currently under construction, plus permitted 'fill-ins', will add up to 103 new houses.

This is the number of new properties called for in the Derbyshire Dales Local Plan, for the Hulland Ward area, and scheduled to last until 2035.

An additional 16 houses on Land East of Dog Lane (and in excess of the Local Plan) are the subject of both an Appeal and a new Planning Application 23/00435/FUL. Both the earlier and the current application have been vigorously opposed by Hulland Ward Parish Council.

Cllr Peter Birkbeck

The New King Charles III Definitive Stamp

From 1st August, 2023 Stamps bearing King Charles III's profile become the norm. First issued for sale by Royal Mail on 4th April, 2023, the stamps are accompanied by a barcode.

What does this mean for 'old' Stamps bearing Queen Elizabeth's profile, and with no barcode? Well, put simply, these are no longer valid as from 1st August, 2023.

What should you do if you haven't used up your old stamps? There is a form on the Royal Mail website which you can complete to swap unused stamps for the new barcoded stamps to the equivalent value. The URL link is:-

Post Office Return? - Update

You can help the campaign to have a permanent Post Office return to Hulland Ward by signing the Petition at the Hulland Ward Farm Shop (next to the General Stores) who want to bring this much-missed service back for the local community. The Post Office's response now claims a lack of funds!! Stamps are now available from the Farm Shop but sell-out quickly proving a definite need for a permanent P.O. does exist. Sarah Dines MP has been enlisted to help the campaign.

Hulland School Report

End Of Year Report

What an Amazing Year at Hulland Church of England Primary School!!!

End of Term is always a sad time because, as we get ready to welcome new children into Reception, we say "Goodbye" to our Year 6. Isla, Harriet, Farrah, Koby, Ollie and Matthew have been an absolute pleasure to teach and should be very proud of their SATs results – **80% of pupils achieving the expected standard in Reading, Writing and Maths.**

All the children will be moving to QEGS, where we hope they make the most of every new opportunity.

Thank you to Mrs Spencer, who after 18 years of dedication to the School, is stepping down from her role as School Governor – she will be missed.

If you are new to the area or looking for a School place, we still have a few places available in some of our Year groups. Please contact Mrs Weir (01335 370243) in the School Office to arrange a tour of the School. 'Every day is an Open day.'

Alternatively, come and join us for our **'Free' Open Day on Sunday, 24th September** (*details opposite*).

This will enable you to tour the School, meet members of staff and find out first-hand about our small Village Primary School. There will be plenty of activities to keep the children entertained too.

Have a super Summer.

Wendy Underwood, Head Teacher

Biggin Parish News

Planning Success!

A successful result was achieved when Derbyshire Dales Planning Committee finally granted an application at Biggin Old Hall, over-ruling the Case Officer's recommendation to refuse for the second time. Definitely something to celebrate and the restoration project can now at last go ahead.

On a sad note for our local heritage, the original 17th Century farmhouse at Nether Hillside Farm has now been demolished.

Local support needed

After a successful campaign the recent Knockerdown/Caffeine Machine planning Application was refused. Now, a 2nd Application has been received and the local group who set up the Petitions are doing this again.

As well as asking for local support once more in signing the new Petitions, they are asking for people to write a response to Derbyshire Dales Planning, too.

As Chair of Biggin Parish, I will write a response to Planning on behalf of the Parish and Residents objecting to this new application and showing our support.

The Planning Application 23/00566/FUL can be found on the Planning Portal at Derbyshire Dales District Council Planning on their website.

Although this is not a Biggin Parish matter it affects us all and a show of support is crucial. Therefore, the more objections received by Planning the better. Every little helps!

If anyone has any questions about this Application, or would like to be more involved please do contact myself.

Louise, Chair of Biggin Parish

Hulland Parish News

Durmot Murphy, our Councillor on the Derbyshire Dales District and Derbyshire County Councils (DCC), came up with a Masterstroke. He managed to persuade a Senior Engineer from the DCC Highways Department to make a site visit so he could experience the extremely dangerous situation of not only vehicles entering Hulland Village from off the A517, but also crossing the road from the Bus Stop.

Although we were offered a 30mph speed restriction in the Village, this did nothing to solve the safety problems on the hill. So, this offer was resoundly rejected by a large majority of Village residents. Instead we have asked for the money to be spent on slowing the traffic down on the hill as the safety concerns on the hill are many times more serious than in the Village, itself.

In conclusion, the Highways Department of DCC has promised to carry out a review of the signing on the A517 on each approach to the Village Green with a view of improving this and raising the awareness of motorists, as well as reinforcing the "Slow Down" message. Finally we have been told that we will be contacted further with their proposals in due course, so we await this contact with eager anticipation. *Tim Sadler*

On the evening of Sunday, May 7th Hulland Village held a party to celebrate the King's Coronation. Over 50 people attended and during the evening a toast to the King was proposed.

In contrast to the previous day the weather was warm and sunny.

THE WILLOW PROJECT
RURAL ACTION DERBYSHIRE

Domestic abuse doesn't just affect unemployed people living in towns and cities. It can happen to anyone, anywhere.

Statistics show that 1 in 3 women and 1 in 5 men will experience domestic abuse at some point in their life.

Whilst you might not know of anyone who is hitting their partner, do you know of anyone who is isolating their partner from family and friends?

Or anyone who monitors every minute of their partners day?

At The Willow Project, we deliver free training, to anyone living or working in Derbyshire, to help you spot signs of abuse.

If you would like to attend our training, please visit; -

Hulland Ward Gardening Club

Our Summer programme of garden visits have been well supported and enjoyed. In September we begin our new 23-24 season of talks when we hope to welcome a speaker from Derbyshire Wildlife Trust telling us what to plant in our gardens to attract wildlife.

At the same time it will be interesting to see how many of our members successfully reared new streptocarpus plants from the leaf cuttings they learned to take at our May meeting.

In October, Heather Taylor the plant expert from Hudson's Plant Centre in Duffield is coming to talk about the care and cultivation of Old Roses.

Julia and Elaine, the Potty Plotters on Radio Derby, are making a third return visit to amuse and entertain us with their latest "garden venture". No doubt it will involve a lot of laughter and some "hands-on", too.

There is no meeting in December. Instead, members will be swotting up their horticultural knowledge ready for our party buffet and quiz evening in January.

The Club continues to meet at Hognaston Village Hall on the third Thursday evening of each month.

No annual members' subscription, just £5.00 for each meeting you attend to pay for the speaker, the venue and refreshments whilst you're there.

For more information please contact Jean or Peter Gardner on 01335 372001.

Hulland Community Pre-School

Est. 1972

It is that time of the year that we say goodbye to some special little people who are moving on to main stream school. Twelve in all, four of whom are going to Hulland Church of England Primary School.

These children are the future; we have really enjoyed their company. It has been so nice to see these children develop, and we are so proud to see them flourish and grow. We wish them well.

As we close for the summer holidays we are looking forward and planning for the new term, which will bring new children and challenges.

Our Pre-School children were invited to take part in the Hulland Primary School Sports Day. It was so uncanny to see that most of the children taking part in the Sports Day were once members of Pre-school.

A big "Thank you" to all parents and committee who have supported Pre-school over the last year.

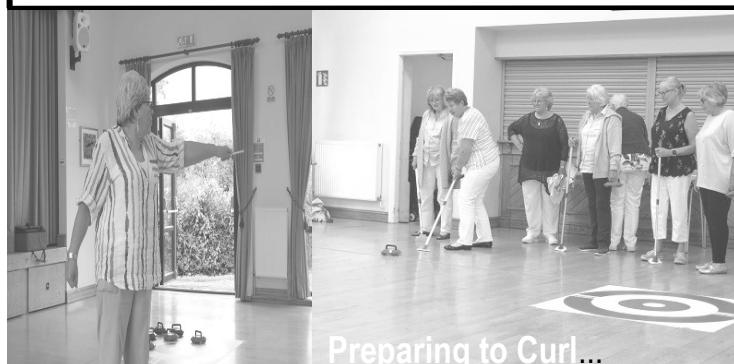

We wish everyone a fun-filled summer holiday and, once again, thank you for all the support we have received.

The Pre-School Team.

The Pre-School operates Monday to Friday
8.30am- 3.00pm term time only.

If you would like any further information on Pre-school our contact details are: 01335 371939
email at hullandcommunitypreschool@gmail.com

Did you know? Pre-School is now 51 years old!
